What are the users saying

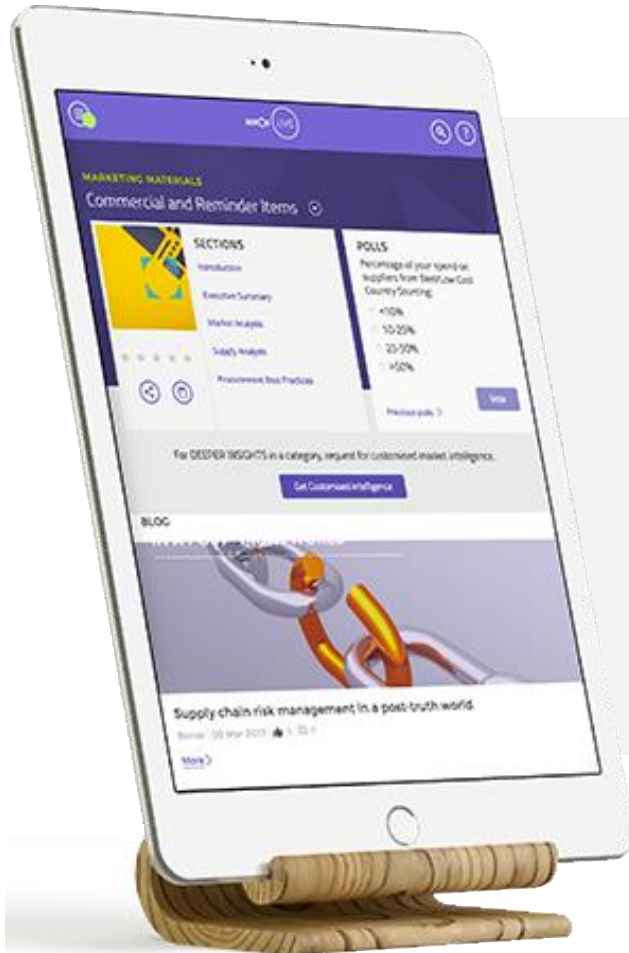

Beroe LIVE is taking our relationship to the next level! Free, on-line, up-to-date, procurement and sourcing information is amazing and is helping teams and business partners in new ways.

Joseph Knott

Former CPO, Reynolds Consumer Products

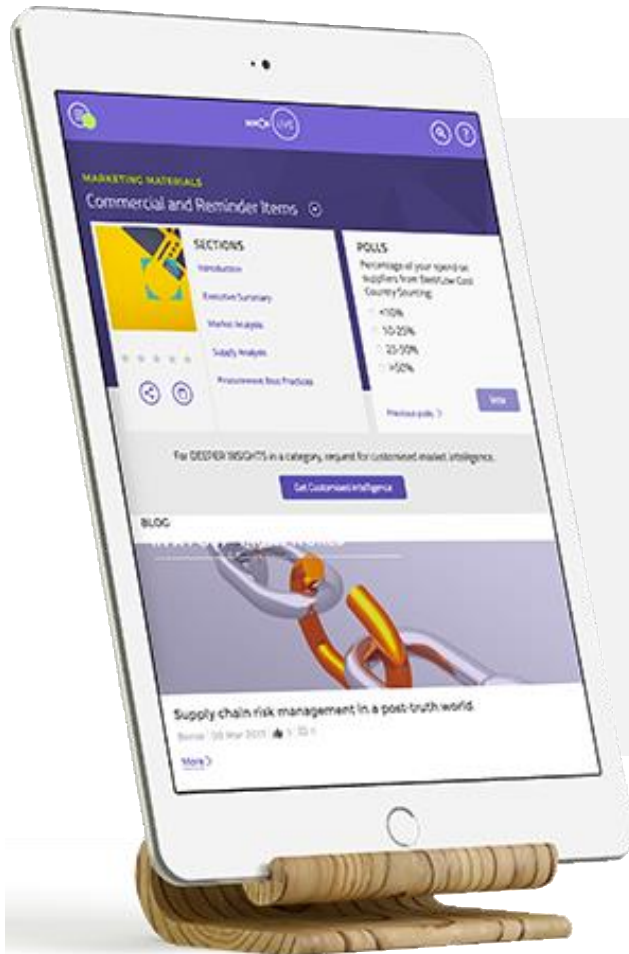

What are the users saying

Beroe Live looks and feels like a quality intelligence platform. Easy to navigate features, interactive polls and discussions, and consistent report formatting make it a great tool for procurement professionals to use as their first stop for market intelligence.

- **Luke Dixon,**
Sr Manager, GAP

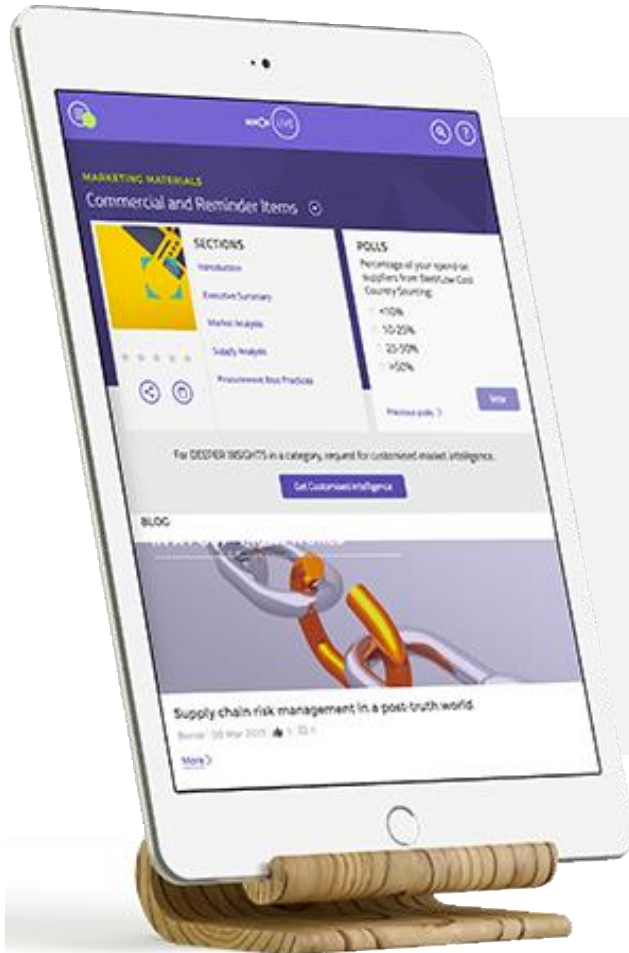

What are the users saying

The new Beroe LiVE platform is a very efficient and cost free way to obtain relevant market information for both Direct & Indirect procurement. Our procurement community has unlimited free access to useful market information on strategic spend, best practices, procurement processes and raw materials.

- **Morgane Mennechet**
Supply Market Analyst, Syngenta

What are the users saying

Beroe Live is democratizing market intelligence for all. I think I've only just begun to imagine the global value and efficiencies this intelligence will deliver, and the impact it will have on the procurement profession.

- **Matthew Kurzynski,**
Network Director Purchasing, IPC
